

Press Release

## InCore Bank appoints Pirro Morandi as Head Client Relationship & Sales

**Zurich/Schlieren (CH), May 16, 2022 – InCore Bank appoints Pirro Morandi as Head Client Relationship & Sales as of June 15, 2022.**

In his new role at InCore Bank, Pirro Morandi is responsible for global client relationship management, new business development and the expansion of existing relationships. InCore Bank is a Swiss B2B banking service provider offering a modular range of services for traditional and digital assets.

«We are delighted to fill this important position with an experienced and successful industry expert. Pirro Morandi is the perfect fit for our team. By appointing him, we are setting the course for further growth and even better service for our clients,» says Mark Dambacher, CEO of InCore Bank.

Pirro Morandi comments: «I look forward to becoming part of this established and at the same time innovative financial services provider. InCore Bank's ability to provide B2B services in the area of both traditional and digital assets is forward-looking and bridges the two financial worlds».

For his new role, Pirro Morandi brings along many years of professional experience in private banking, investments and financial markets. He joins InCore Bank from Crypto Finance AG, where he was most recently Head of Business Development. Previously, he held various positions as Emerging Markets Fixed Income Sales and as Investment Consultant at Credit Suisse and as Relationship Manager at Clariden Leu. Pirro Morandi holds a Bachelor of Science in Business Administration with a focus on Banking & Finance.

### **About InCore Bank**

InCore Bank is a one-stop business-to-business transaction bank founded in 2007, providing banks, securities dealers, asset managers and fintech companies first-class transaction banking and outsourcing services. As a Swiss corporation with a banking and securities firm license, InCore Bank offers a comprehensive and modular range of services covering transaction banking for traditional and digital assets, business process outsourcing, tailor-made white-label investment products and other services. This offering enables market participants to reduce complexity and focus on their core business.
